**Strawbfest Donations Needed!**

With Strawbfest 2025 coming up fast next term we are requesting some **DONATIONS** for our amazing stalls.

We have a box set up in each class clearly marked for Families to drop goods off in, these will be whisked away and tallied each week so we know exactly what we have and what we still require. Also required \$ donations, which you can easily donate via the Qkr! app. This is a really good option for the time pressed! These donation \$\$ will be used for items that we will need to purchase closer to the day; ICE CREAM, fresh cream, and the likes. Below are step by step instructions to contributing a donation using the Qkr! App.

**How to Donate via Qkr!:**

1. Open the app and select **Strawbfest** from the menu.
2. Tap **Class Donations > Family G Strawbfest Donation**.
3. Choose from preset amounts starting at \$10 or select your own. Every contribution helps!

Thank you for your ongoing support - if we all just do a little it will all get done!

Please reach out to the Parent Reps of your Family Group, Teachers, Lisa Whiting (Strawbfest Coordinator) or Clare (Ops Manager in the P&C Office M-F 8am-3pm), if you have any questions.

Yours in Strawberries 🍓
